FANGOFOODS REDESIGN WEBSITE

UI/UX CASE STUDY

-BY PRIYA KESARWANI

Tools Used

Web UI Mockups

BRIEF

Design a website homepage.

The website should use a green color scheme, create a hero section at the homepage, highlight features and advantages, and display featured categories with icons, showcasing the internship program's benefits and appeal to potential applicants.The website homepage should have a green color scheme, a hero section, a featured categories with icons, an About Us section, partnered brands, trending products, recommended products, offers, customer reviews, blog articles, subscribe for offers and newsletters, and a footer website featuring Fangofood.com
