BRIEF

Redesign the existing Wedding Card page of Celebrare's website.

The redesign should focus on improving user experience. Please consider the following points:

User-Friendly Design: Create a design that is intuitive and easy to navigate. Users should be able to find information about wedding cards and customize their cards effortlessly.

Enhance the user interface (UI) of Celebrare's this page to improve its overall design and user experience.

Simplified Information: Streamline the content and present it in a concise and organized manner.

Redesign the existing Wedding Card page of Celebrare's website.
